Total Cost						\$48.95

To the extent this quote is for parts shipped on Tape & Reel, all orders are shipped on Tape & Reel ready for Pick and Place. Standard Reel sizes are: 20, 50, 100, 200, 500, 1000, 2000, and 3000, except as otherwise indicated above. Releases against an order must be in standard reel sizes as quoted above. Minimum order quantity is 20 pieces.

When placing your order, please advise your in-house delivery requirements. Delivery may be affected by availability or materials. Upon order placement scheduled delivery will be advised.

Unit prices stated in this quote are only valid for a single order covering the entire quantity of parts referenced in this quote, with delivery in a single shipment.

STOCK IS SUBJECT TO CHANGE.

MINI-CIRCUITS' STANDARD TERMS AND CONDITIONS (THE "STANDARD TERMS") APPLY TO THIS QUOTE. A COPY OF THE STANDARD TERMS IS AVAILABLE AT www.minicircuits.com/MCLStore/terms.jsp. THESE TERMS INCLUDE A STANDARD LIMITED WARRANTY AND DISCLAIMER OF OTHER WARRANTIES AND LIMITATION OF LIABILITY PROVISIONS.

Additional freight charges and/or export license fees will apply for parts that are subject to export by Mini-Circuits, a freight forwarder, or an exporter.

Any part number with scheduled shipments must be ordered under a PO# separate from all other items and must meet the minimum dollar requirements.

We understand that the parts referenced in this quote will not be: (i) used in any nuclear activity, including a maritime nuclear propulsion project; (ii) used in rocket systems (including ballistic missile systems, space launch vehicles, and sounding rockets) or unmanned air vehicles (including cruise missile systems, target drones, and reconnaissance drones); and/or (iii) used in chemical or biological weapons. For more details about restricted end uses, see Part 744 of the U.S. Export Administration Regulations. If our understanding is not accurate, please advise us as prior authorization or an export license may be required from the U.S. Bureau of Industry and Security.

International shipment of the quoted parts is subject to the approval of / Export License from the U.S. Department of Commerce. Please provide end user information including name, address and application/usage of these parts when placing your order.

This quote is not applicable for distribution (a) to any of the following countries or a national thereof: Cuba, Iran, North Korea, Sudan, Syria or any country specified in Country Group E (as specified in the then current Supplement No. 1 to Part 740 of the U.S. Export Administration Regulations), or (b) to any entity or person specified in the then current Treasury Department Specially Designated Nationals and Blocked Persons List available at the U.S. Department of Treasury Website (www.treasury.gov), or on the then current Denied Persons List, Unverified List, or Entity List available at the Bureau of Industry and Security Website (www.bis.doc.gov).

Your acceptance of this quote is expressly subject to and limited to the terms and conditions stated herein. Notice of objection is hereby given to any proposed term or condition or any alteration whether perceived as major or minor in nature.

You may reschedule a release of parts contained in an order by providing Mini-Circuits a written notice at least fifteen (15) days prior to the scheduled shipment date. The maximum delay in shipment of any rescheduled release of parts is ninety (90) days from the original shipment date. You may not reschedule any particular release of parts more than two (2) times. Notwithstanding anything to the contrary contained herein, (i) once a release of parts is expedited at your request, such parts may not be rescheduled; or (ii) once a release of parts is rescheduled, such parts may not be cancelled. If you fail to comply with this rescheduling procedure, you shall promptly pay a "Cancellation Fee" equal to the total price of the parts subject to that release.

	Catalog	Non-Catalog
For orders past earliest scheduled ship date:	95%	100%
For orders to be shipped within 1 month:	95%	100%
For orders to be shipped within 2 months:	50%	100%
For orders to be shipped within 3 months:	25%	85%
For orders to be shipped within 6 months:	5%	60%
For orders to be shipped in more than 6 months:	0%	50%

(*) Cancellation charges based on earliest request of order ship date. To avoid cancellation charges, each line item may be rescheduled one time within 3 months of the original scheduled ship date. However, any cancellation request after the first rescheduling will be billed at 100% of the purchase order amount. These charges apply unless a model is non-cancellable, non-returnable (NCNR).

Export of this product is subject to U.S. export laws/regulations and buyer/recipient/exporter is advised to check with U.S. Department of Commerce and comply with U.S. export regulations/laws before exporting.

In keeping with growing industry demand, RoHS compliant models may be substituted for standard non-RoHS compliant models unless we receive a written instruction from you to the contrary. RoHS compliant models are clearly marked with a "+" suffix following the base model on packaging. For individual RoHS compliant model details and Mini-Circuits' methodologies, assumptions and qualifications relating to RoHS compliance, please go to www.minicircuits.com and click on the "RoHS/Pb-free Program" button.
